Annexure C – Resolution

Annexure D – Site Inspection Certificate

Annexure E – Form of Indemnity for Design Work (Pro-Forma)

NOTES TO TENDERERS

JBCC Series 2000: MINOR WORKS AGREEMENT**NOTES TO TENDERERS**

1. TENDER DOCUMENTATION

The document contains introductory pages numbered **a – b**, bills of quantities on pages numbered **1 – 8** and annexures as listed under contents.

The tenderer shall check the numbers of the pages and should any be missing or duplicated or the reproduction be indistinct, or if any doubt exists as to the full intent and meaning of any description, or this document contains any obvious errors, the tenderer shall notify the Principal Agent at once for rectification. No liability whatsoever will be admitted in respect of errors in any tender due to the above-mentioned causes.

2. SCOPE OF WORK

Generally, the scope of work comprises building a perimeter wall on plot no. 81A, situated along Caledon Road, Maseru West.

3. SITE INSPECTION

Tenderers shall be advised of the site inspection.

4. PROVISIONAL BILLS OF QUANTITIES

These Bills of Quantities are Provisional and are subject to remeasurement on completion.

5. MODEL PREAMBLES FOR TRADES

Except where otherwise stated these bills of quantities have been prepared in accordance with the Model Preambles for Trades (1999 Edition) as recommended and published by the Association of South African Quantity Surveyors. Tenderers are advised to study the Model Preambles before pricing these bills.

6. STANDARD SYSTEM

Except where otherwise stated these bills of quantities have been prepared in accordance with the Sixth Edition of the Standard System of Measuring Builder's Work, amended 1999, published by the Association of South African Quantity Surveyors.

7. FLUCTUATIONS IN BUILDING COSTS

The tender shall remain fixed for the duration of the contract period.

8. TENDERS

Value Added Tax (VAT) shall be added as a lump sum inserted against the appropriate item on the Final Summary page of the bills of quantities.

Tenders, shall be NET and shall NOT include 5% cash discount to the Contractor.

Tenders shall hold good for a period of **Sixty (60)** days from the date of closing of tenders and shall not be altered, amended nor withdrawn during that period.

9. THE EMPLOYER'S RIGHT TO ACCEPT OR REJECT ANY TENDER OFFER

The employer may accept or reject any variation, deviation, tender offer, or alternative tender offer, and may cancel the tender process and reject all tender offers at any time before the formation of a contract. The employer shall not accept or incur any liability to a tenderer for such cancellation and rejection, but give written reasons for such action upon written request to do so.

10. SUBMISSION OF TENDERS

The form of tender is to be completed in full and returned in a sealed envelope marked **“CENTRAL BANK OF LESOTHO – PROPOSED PERIMETER WALL ON PLOT No. 81 AT MASERU WEST”** and delivered to _____ and be deposited in the Tender Box not later than 12hr00 on _____ when tenders will be opened.

Tenders received after the closing time will NOT be considered. Incomplete tenders or tenders submitted in any other format may be rejected.

BUILDER'S WORK

Item No	Quantity	Rate	Amount
<u>BILL NO 2</u>			
<u>ALL TRADES BILL</u>			
<u>NOTE: Tenderers are advised to study the Model Preambles for Trades before pricing this bill</u>			
<u>Supplementary preambles</u>			
<u>New materials</u>			
All new materials and labour, to the extent applicable, shall match that of the existing work.			
<u>View site</u>			
Before submitting his tender the contractor shall visit the site and satisfy himself as to the nature and extent of the work to be done and the value of the materials contained in the buildings or portions of the buildings to be demolished. No claim for any variations of the contract sum in respect of the nature and extent of the work or of inferior or damaged materials will be entertained			
<u>General</u>			
The contractor shall carry out the whole of the works with as little mess and noise as possible and with a minimum of disturbance to adjoining premises and their tenants. He shall provide proper protection and provide, erect and remove when directed, any temporary tarpaulins that may be necessary during the progress of the works, all to the satisfaction of the principal agent			
Making good of finishes shall include making good of the brick and concrete surfaces onto which the new finishes are applied, where necessary			
The contractor will be required to take all dimensions affecting the existing buildings on the site and he will be held solely responsible for the accuracy of all such dimensions where used in the manufacture of new items (doors, windows, fittings, etc)
